

Buying on eBay

Thursday, January 6, 2005, at 7:00 PM,
B101 at Terra Community College

**A FREE Presentation for Anyone Interested in Computers.
Facilitated by the Internet (SIG) Special Interest Group.**

**If you didn't get all the presents you wanted for Christmas,
come to our January presentation.**

Learn the basics of buying on eBay, the world's largest online auction. Find out how to register as a buyer and place bids.

Deb Hellman, an experienced eBay buyer will explain how to register to buy on eBay, how to search for items, how to bid, and how to pay if you win an auction.

Get some great tips on how to become an eBay auction participant.

Plan to attend this **free presentation** on **Thursday, January 6 at 7:00 PM** in **B101 on the 1st Floor of Building B**. This presentation is open to the public and no reservation is required.
